## परिचय

The Ministry of Education (MoE), Government of India (GoI) has established the National Testing Agency (NTA) as an independent, autonomous, and self-sustained premier testing organization under the Societies Registration Act (1860) for conducting efficient, transparent, and international standardized tests in order to assess the competency of candidates for admission to higher education institutions with a mission to improve equity and quality in education by developing and administering research-based valid, reliable, efficient, transparent, fair and international level assessments.

**The National Testing Agency (NTA) has been assigned the task of conducting the Common University Entrance Test (CUET) for Undergraduate (UG) programmes.**

The Common University Entrance Test (CUET) Scores is used for admission into UG Programmes in all Central Universities/ Participating Universities (State/Deemed/Private) across the Country.

The Common University Entrance Test (CUET) provides a common platform and equal opportunities to candidates across the country, especially those from rural and other remote areas, and help establish better connections with the Universities. A single Examination enables the Candidates to cover a wide outreach and be part of the admissions process to various of[...]
